

AS A MISTER SPARKY CLUB MEMBER, YOU RECEIVE AN ANNUAL:

PANEL REJUVENATION

SAFETY INSPECTION

DISCOUNTS AND SAVINGS

BENEFITS

We'll catch the small problems before they become big problems

Our electrician will give your home a thorough 34 point inspection, which will check for small problems that could become big problems.

Save money and save your home

As a member, you receive discounts on services and repairs. You have the peace of mind in knowing your electrical system is monitored on a regular basis for safety and security.

We'll tune-up and professionally inspect your electrical panel

Our electrician will give your electrical panel a complete rejuvenation and inspection. This process will extend the life of your electrical panel plus decrease the risk of breakdowns and hazardous situations.

Priority Service

As a Club Member, you enjoy special privileges. If you ever need service, you immediately go to the front of the line when setting your appointment.
